Subject: Sister Study 2007

What Causes Breast Cancer?

**The Sister Study must enroll 20,000 more women in 2007 to help
find the answers.**

You can help get these 20,000 sisters in 2007 by:

- ❖ **Forwarding this email** to everyone in your contact address list
- ❖ **Taking Sister Study materials to places where eligible women may be**
such as doctors' offices, beauty salons, churches/synagogues, meetings,
workplaces, conferences, events, etc.
- ❖ **Make a pledge to personally find 5 eligible women to enroll** in the study
- ❖ **Write a letter to your newspaper editor** with a personal story

Help the Sister Study now! Let's put a stop to Breast Cancer!

For questions or more information:

Call toll-free telephone number 1-877-474-7837
Or log on to www.sisterstudy.org

**A woman is eligible to join this landmark national breast cancer study
which looks at how environment and genes may affect the chances of
getting breast cancer if -**

Your sister (living or deceased), related to you by blood, had breast cancer

You are between the ages of 35 and 74

You have never had breast cancer yourself

You live in the United States or Puerto Rico
